

# Application Information

## Applications

Applications to Washington and Oregon universities and colleges may be obtained in the Lower Columbia College Transfer Center or online through the Transfer Center homepage. If you need help filling out the applications, please contact the Transfer Center at (360)442-2354.

## Transcripts

In addition to your application, you must send an official copy of your LCC transcript (as well as transcripts from all other colleges you have attended).

To have your LCC transcript mailed, fill out a Transcript Request form obtained from Registration and turn it in to the Registration Office in the Admissions Center. To mail transcripts from other colleges you have attended you must contact the Registrar's Office of each individual college.

## Remember

You must again request your LCC transcript to be sent at the close of your final quarter at LCC. If you fail to do this, your transfer institution will not be able to count your winter and spring quarter credits from LCC. Also, double check to make sure that your degree has been posted on your final transcript before it is sent.
